JANUARY 2020: EDUCATION PRAYER PRIORITIES FOR AMERICA

We need to mobilize thousands of churches and ministries, comprised of millions of people who will pray for America this month. Our nation needs prayer beyond what it has ever needed before.

Here at Cornerstone, as we prepare for National Day of Prayer in May 2020, we will be emphasizing one of the seven areas of influence each month leading up to the National Day of Prayer. The areas are: Government, Military, Family, Education, Business, Media and Church. We will also be praying for our Pastoral Search.

For the month of January, the emphasis is Education.

The Education is under attack ranging from shutting out Christian values, gender identification, revising history, physical and emotional safety and more.

[PRAYER FOR YOUR LOCAL SCHOOL](#)

“The proverbs of Solomon son of David, king of Israel: ² for gaining wisdom and instruction; for understanding words of insight; ³ for receiving instruction in prudent behavior, doing what is right and just and fair; ⁴ for giving prudence to those who are simple, knowledge and discretion to the young—⁵ let the wise listen and add to their learning, and let the discerning get guidance—⁶ for understanding proverbs and parables, the sayings and riddles of the wise. ⁷ The fear of the LORD is the beginning of knowledge, but fools despise wisdom and instruction.”
Proverbs 1:1-7

1. **Thank God for learning.** *Thank God that he has provided everything we need “for gaining wisdom and instruction; for understanding words of insight” in his word (v 1-2).* While human minds enjoy unravelling the puzzle of how the world around us works, God has not left us guessing on the question of why—he’s told us clearly through Scripture. That’s a big reason for thanksgiving!
2. **Get future-proofed.** *Pray that students would learn “prudent behavior” (v 3).* **Thank God** for the way he uses education as an instrument of his common grace in restraining the effects of sin on society. Pray that this school would teach children “prudent behavior”, and equip them to make choices that do good, not harm, to others as they grow up.
3. **Love fairness.** *Pray that students would learn to do “what is right and just and fair” in God’s eyes (v 3).* Sometimes it seems that our culture’s definition of right and wrong is drifting further and further from the Bible’s definition. But pray that children in this school would be taught that what God thinks is right is indeed right; that what God says is just is indeed just; and that what God says is fair is indeed fair.
4. **Learn discretion.** *Ask God to teach “discretion to the young” (v 4).* Kids can be very cruel with their words. So, pray that these children would learn to control their tongues and speak words that are kind and patient, not offensive or mean.
5. **Fear God.** *“The fear of the Lord is the beginning of knowledge” (v 7).* **Pray** that students and teachers would come to fear God—and realize that this is far more important than all the knowledge the world offers. **Pray** for Christian teachers you know, and anyone else who has an opportunity to witness to the gospel—ask that they too would fear God, not humans, and so speak faithfully and courageously of Jesus.
