# Prayer Ministry

SAVE THE DATE; *Saturday, April 24, 2021*

## **APRIL 2021: CHURCH PRAYER PRIORITIES FOR AMERICA**

National Day of Prayer: Date: Thursday, May 6, 2021

Theme for 2021: "LORD pour out Your LOVE, LIFE, and LIBERTY."

Theme verse: 2 Corinthians 3:17, "Now the Lord is the Spirit, and where the Spirit of the Lord is, there is liberty."

It is our prayer today and throughout 2021 that the Spirit of the Lord, pour out, pour through us across America.

The prayer emphasis for April is the Church - to prepare for the National Day of Prayer in May 2021.

### **A Missionary Story and Warning (by Vicky Creel – 3/30/2021) Part 2**

During my last 2 years in the big East Asia Country (2011-2013), to open my Facebook account, I had to use a VPN connection. For many years, my email accounts were constantly broken and were not easily accessed. I often had to change my email address. Then I discovered a secure U.S. email server, for which I just had to pay a monthly fee. Once that secure email account was established, I was able to communicate and send my newsletter/updates to my ministry partners and supporters. I was told phones were tracked and monitored, so I was always careful what I said. Every apartment complex had a watcher. To travel to some areas of the country, special permits were needed. I lived in constant fear – not just fear for my life but for my local friends. With the grace of the Lord, I managed to share the Good News of Salvation discreetly.

When I came to this country (the United States) some years ago, I felt relieved and free! I did not have to worry about being tracked as a foreigner, having my phone bugged, or having my email watched. I am very thankful this nation has been blessed with so many Christian resources – church buildings everywhere, Christian radio and TV programs, online podcasts, etc. And I can freely access and buy Christian books and materials.

In March 2019, ... I cherished becoming a U.S. citizen... Part of the citizenship application process involved studying civics and history. Thank the Lord, I passed the test! With that, I was challenged and led to know more about the history of the country.

I learned about the Pilgrims, the Mayflower Compact, the founding fathers/patriots, and the Constitution. It was fascinating to learn that this country was founded on the Christian faith. I also learned that, prior to the Mayflower, several other groups from Europe came to establish colonies. But the colony established by those on the Mayflower was particularly successful. The reason for their success was because of their covenant with God for the advancement of faith, "**...having undertaken, for the Glory of God, and advancements of the Christian faith...**" More groups came from different parts of the world from 1800-1900s for economic and religious reasons.

I also heard about the First Great Awakening in the 1700s. After one hundred years the colonies were firmly established, but many people forgot God and faith. So, the Lord sent preachers like Jonathan Edwards and George Whitefield to remind the people that success, wealth, and religious freedom were due to the grace of God. The same thing happened in the early 19th century with the Second Great Awakening. Different revival groups sparked spiritual reformation including the Circuit Riders and Azusa Street. Now in this era of the 2020s, I have been hearing from different Christian leaders that we may be entering the period of the Third Great Awakening.

### PRAY:

Dear Lord God please forgive our sins. We humble ourselves before You. Help us seek Your face and turn from our wicked ways. Please heal this land and restore this nation back to You! Holy Spirit please pour out Your power on us Your Church.
