# Prayer Ministry

SAVE THE DATE; *Saturday, April 30, 2022*

## **JANUARY 2022: EDUCATION PRAYER PRIORITIES FOR AMERICA**

National Day of Prayer: Date: Thursday, May 5, 2022

Theme for 2022: "EXALT THE LORD, WHO HAS ESTABLISHED US".

Theme verse: Colossians 2:6-7 NASB Therefore, as you have received Christ Jesus the Lord, so walk in Him, having been firmly rooted and *now* being built up in Him."

The theme illustrates God's people joining His angels in EXALTING Him as we pray, because He is God Almighty. We have bold access to His throne and passionate confidence as we pray – because HE HAS ESTABLISHED US in this nation and is working in the heavenlies to accomplish all that He has purposed – as we PRAY FOR AMERICA!

The prayer emphasis for the next four months is to prepare for the National Day of Prayer in May 2022.

For the month of January, the emphasis is Education.

### **What We Can Do Now?**

There are things we all can do NOW to help these teachers in the fight. I know it becomes hard to bear some days, just as it does for missionaries or pastors. And lies can easily creep in and take root making the teachers believe they can no longer do anything to make a difference. But we can help

Pray:

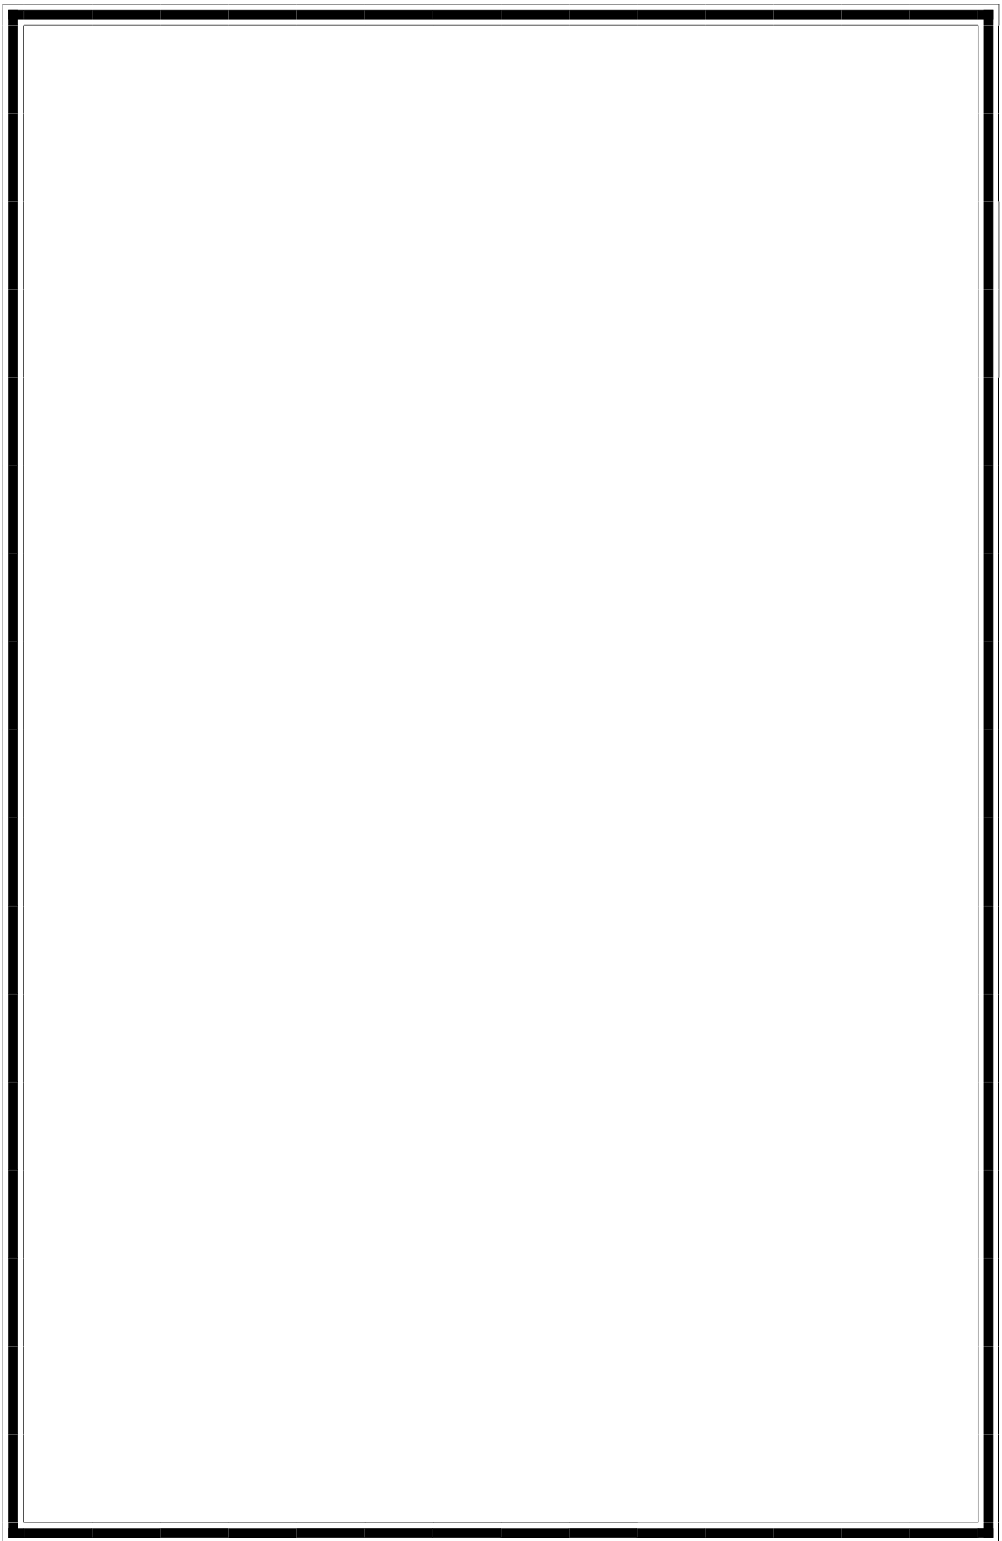

- Pray for your teachers.
- Students in your home, pray for their teachers.
- Teacher you know personally, pray for them.
- Pray collectively for every teacher that loves the Lord to be strong in their faith and every teacher that doesn't know the Lord to come to know Him through their jobs

Talk to your students:

- If you have a student in the public school system, talk to them about what they are seeing and what is going on at school. Use this time to pray for them, encourage them, and give them practical advice. A lot of students probably feel pressured into these behaviors, and maybe talking them through will help them realize they don't need to take part

Encourage your teachers:

- If you have a school aged student or know a teacher personally, have grace for them, offer them encouraging words, and maybe even gift them a small gift card or yummy treats for all they do.
- Encourage your students to encourage their teachers–
- Handwritten letters from students. You know how amazing it feels to be recognized for your hard work. Teachers LOVE to hear from the students how they are learning and growing from them. Pray for opportunities.
