## **MARCH 2022: MEDIA PRAYER PRIORITIES FOR AMERICA**

National Day of Prayer: Date: Thursday, May 5, 2022

Theme for 2022: "EXALT THE LORD, WHO HAS ESTABLISHED US".

Theme verse: Colossians 2:6-7 NASB Therefore, as you have received Christ Jesus the Lord, so walk in Him, having been firmly rooted and *now* being built up in Him."

The theme illustrates God's people joining His angels in EXALTING Him as we pray, because He is God Almighty. We have bold access to His throne and passionate confidence as we pray – because HE HAS ESTABLISHED US in this nation and is working in the heavenlies to accomplish all that He has purposed – as we PRAY FOR AMERICA!

The different prayer emphasis for each of the seven months leading up to the National Day of Prayer is to prepare for the National Day of Prayer in May 2022.

For the month of March, the emphasis is Media.

*So justice is driven back, and righteousness stands at a distance; truth has stumbled in the streets, honesty cannot enter. Isaiah 59:14*

A survey by the Pew Research Center for the People & the Press showed that 63 percent of Americans believe that news stories are often inaccurate. Most Christians believe that the bias of most journalists is toward liberal political views and morality and anti-religious, particularly against the Christian faith. Many believe that much of the news is slanted toward what contributes to hype and fear, that "if it bleeds, it leads," and that pop culture and sleaze dominate over what is truly "newsworthy." Because journalists wield so much power through their words and images, through what they report and how they report it and what they don't report, journalists need our prayers just as much as our leaders.

### PRAY:

*Lord, well over half of Americans believe that news stories are often inaccurate and tend to favor one side of an issue over another. I pray that journalists across America will do their best to bring light where there is darkness and truth where there is falseness. I ask You to strengthen and direct the will of all who write and shape the coverage of newspapers, television, radio and magazines. I pray that You would remove those who desire to report anything less than the truth and to be a service to humanity. May You raise up those who are bold to confront evil and injustice, who reject the half-truths that deceive and the biased words that corrupt. I ask You to promote those who will use the power of their words for good and who bring the respect and integrity of character that honors their profession. Give wisdom, honesty and courage to those who seek Your face and restore a righteous standard of journalism so that truth might prevail throughout our nation. Amen.*
